

WASHINGTON COUNTY MAPS

Accessing the Maps Online

1. Go to <http://www.co.washington.ar.us>
2. Click on “INFORMATION” on the left menu
3. Scroll to the bottom of the new page and click on “WASHINGTON COUNTY MAPS”

Remember to “REFRESH” your “LAYERS” after each change

Search by Address:

1. Zoom in  on the map until you are able to see parcel numbers
2. Ensure “BUILDING ADDRESSES” is visible and active, then “REFRESH”  your layers
3. Click on the “FIND”  button on the left.
4. Type in street name and press “ENTER” or “FIND STRING”
5. Scroll through selection. Click “MORE RECORDS” to go to the next page
6. Click on the underlined number to the left of the selection

Search by Parcel Number:

1. Zoom in on the map until you are able to see parcel numbers
2. Make “COUNTY PARCEL LABELS” (BLACK or GREEN) active and visible, then “REFRESH”  your layers
3. Click on the “Find”  button on the left menu
4. Type in the parcel number. Include the dashes. Example: 123-45678-910
5. Press “ENTER” or “FIND STRING”
6. Click on the underlined number on the left side of the selection

Moving Around

Using the Hand Tool

1. Ensure the “HAND”  tool on the left menu is active
2. Click on the map, but keep the mouse button held down. Drag the map to the direction you desire
3. Release your mouse button and let the map reload
4. Continue to do this until you are in the area you desire

Using the Directional Arrows

1. On the left menu, there is a set of directional arrows . Simply click on any one of these to be automatically moved in that direction on the map
2. Continue to click on the arrows until you are in the area you desire

Viewing the Aerial

1. Zoom in  on the area you would like to see
2. Click on “AERIALPHOTO” Choose which year you would like to view

3. “REFRESH”  your layers

Printing the Map

1. Click on the printer icon  on the left menu
2. Ensure your Internet Browser allows pop-ups
3. Click on “CREATE PRINT PAGE”
4. Print this page how you would normally print from the internet
