

## Bid 09-010, AMENDMENT 6

**DATE:** July 16, 2009

**TO:** All Prospective Vendors

**FROM:** Jody Gamble, Purchasing Director

The following is clarification to a question received concerning the referenced Request for Proposal:

On page 10 in Section 7.0, there is a mention of providing government clients as references. Since we do not have any government clients. Would this disqualify us from the process? *In talking to the County Attorney, and the Comptroller it has been stated that this might not disqualify you, but with that being said it could be looked at as not being as responsible of a proposal as one received from a vendor that has government clients.*

Amendment #6 is hereby made a part of the proposal to the same extent as though it were originally included therein. Vendors should complete and return a copy of this Amendment with your sealed proposal. Failure to do so may subject bidder to disqualification.

Acknowledge Amendment #6
