

News Release

February 13, 2009

Washington County Sheriff Tim Helder announced today a methamphetamine lab was seized in Fayetteville.

On Friday, February 13th, 2009 Washington County deputies responded to a theft of an ATV in the West Fork area. While investigating, deputies learned Larry G. **SIEMORE**, W/M, 43 of FAYETTEVILLE was a person of interest in the theft. It was also learned that Mr. **SIEMORE** was on parole and Arkansas Department of Community Correction Parole and Probation needed to make contact with **SIEMORE** regarding information not associated with the theft investigation. Deputies responded with Arkansas Department of Community Correction Parole and Probation to 101 E. 11th St., FAYETTEVILLE in order to do a home check of parolee **SIEMORE**. During the check, items commonly used to manufacture methamphetamine were located inside the garage area and inside **SIEMORE's** vehicle. Larry G. **SIEMORE** was arrested for **POSSESSION of DRUG PARAPHERNALIA with INTENT to MANUFACTURE METHAMPHETAMINE**. The ATV was not located but the investigation is continuing.

The 4th Judicial Drug Task Force was contacted to investigate this incident. The task force is made up of investigators from police departments in Fayetteville, Springdale, University of Arkansas, Prairie Grove, West Fork, Johnson, Lincoln, Greenland, Farmington, Elm Springs and Elkins, as well as the Washington County Sheriff's Office.
