

## News Release

February 20, 2009

Washington County Sheriff Tim Helder announced today a methamphetamine lab was seized in south Washington County.

The Washington County Sheriff's Office, working in cooperation with the 4<sup>th</sup> Judicial Drug Task Force (DTF), executed a search warrant at 17090 Millers Chapel Road in rural Washington County. During the search of the residence, numerous items used in the manufacture of methamphetamine were located, including solvents, acids, glassware with white powder residue, an HCL generator, a funnel with white powder residue, among other items. Approximately 55 grams of marijuana and numerous baggies and syringes were also located in the residence. The resident, William O. VAUGHT, W/M, 41 of Winslow was arrested for **POSSESSION of DRUG PARAPHERNALIA with INTENT to MANUFACTURE (Methamphetamine)** and **POSSESSION of a CONTROLLED SUBSTANCE with INTENT to DELIVER (Marijuana)**.

The 4th Judicial District Drug Task Force is made up of investigators from police departments in Fayetteville, Springdale, University of Arkansas, Prairie Grove, West Fork, Johnson, Lincoln, Greenland, Farmington, Elm Springs and Elkins, as well as the Washington County Sheriff's Office.
