Applicants must be 18 years of age or older to adopt. I have filled this application out honestly. I understand that omission of information and/or failure to answer all questions and sign the application can result in this application being declined. Also, if an omission or untruth is discovered after an adoption takes place, I understand that the Washington County Animal Shelter (WCAS), reserves the right to annul the adoption and reclaim the animal. I give the WCAS permission to fully investigate the information provided as well as contact veterinarians and related officials. If the application passes this review, I agree to a home visit by a WCAS representative before and after an approved adoption. All information contained within this application is subject to the Freedom of Information Act and will be given upon request.

In addition, I understand the adoption decision is dependent on many factors, including but not limited to the compatibility of the family and home to the individual animal, and other applications received on this animal. I understand it is up to WCAS to decide which home is most appropriate and that their decision is final. I am free to apply and undergo the application process in the future.
