Conditional Use Permits, Subdivision Plats, and Large Scale Development Plans to be placed on the Planning Board meeting agenda must be turned into the Planning Office by 2:00 p.m. on the submittal date shown on the schedule. All items required must be included with your submittal (this includes drainage reports, traffic studies, fire flow etc. - when required). Please consult your checklist to ensure that you have all items required for submittal or your project will not be placed on the agenda.

If approved by the Planning Board/Zoning Board of Adjustments, all Conditional Use Permits must be ratified by the Quorum Court. This ratification usually takes place at the next regularly scheduled Quorum Court meeting. Any applicant or member of the public may appeal the approval or denial of a CUP within 30 days of the decision of the Planning Board/Zoning Board of Adjustments. Contact the Planning Office for appeal forms and additional details.
