

Women's Health and Cancer Rights Act Notice

Information can be found on page 24 of your Summary Plan Description

Reconstructive Surgery. Correction of abnormal congenital conditions and reconstructive mammoplasties will be considered Covered Charges.

This mammoplasty coverage will include reimbursement for:

- reconstruction of the breast on which a mastectomy has been performed,
- surgery and reconstruction of the other breast to produce a symmetrical appearance, and
- coverage of prostheses and physical complications during all stages of mastectomy, including lymphedemas,

in a manner determined in consultation with the attending Physician and the patient.
